SCREENING

The company is conducting security officers screening through PSARA guidelines before actually employing them into the company. This exercise enable the company to recruit or to employ security officers free from criminal activities as PSARA is the only professional bodies accordingly dealing with this aspect. Attendance of the recognised security training with accredited Security Training institutions also scrutinizing.

Operational model

Our operational model covers mainly the following aspects:

- ☐ Scope of work within the company and at each individual site,
- ☐ Site due diligence before finalizing a service level agreement,
- ☐ Adherence to contract terms and conditions with clients,
- ☐ Confidentiality,
- ☐ Strike action,
- ☐ Staff supervision,
- ☐ Performance evaluation and monitoring services,
- ☐ Reporting of incidents and weekly reports,
- ☐ Preparation of monthly management reports, and
- ☐ Contingency / emergency control procedure.

In order to comply with our clients' service level agreements, the company always appoints a site manager and competent supervisors responsible for all tasks and duties to be performed on site to meet clients' satisfaction. The site manager must be fully familiar with the terms and conditions of each side.
